Subject: FOR REVIEW: draft meeting summary for Aug 13 Meeting Concerning
Potential NEPA Roles for Tribes on Pebble EIS

Hello to All,

As was discussed at our August 13, 2010 meeting, I have provided the attached
draft meeting summary for your review. Please provide any comments that you
might have to me. Upon receipt of the comments, I will make changes to the

document and distribute the final copy of the meeting summary.

I have also attached the sign in sheet for the meeting, identified as Attachment 1 in the meeting summary. Attachment 2 - the meeting agenda and Attachment 3 - the USACE slide handout were distributed at the meeting so I have not attached them here, but all the Attachment will be incorporated into the final document.

Thanks to everyone for their participation in this process.

Sincerely,
